INTRODUCTION OF THE SPONSORING AUTHORITY

At present the School has been sponsored by Bharat Sevashram Sangha, (H.O.211, Rash Behari Avenue, Kolkata-700019) which is a spiritual brother-hood of monks and selfless workers devoted to the service of humanity. It was founded in 1917 by illustrious patriot Saint Acharya Srimat Swami Pranabanandajee Maharaj. It is purely a philanthropic and charitable organisation, with non-sectarian, non-communal and non-political character and outlook. The School is Managed by Bharat Sevashram Sangha, Dimapur Branch.

ACTIVITIES OF THE BHARAT SEVASHRAM SANGHA

Bharat Sevashram Sangha has been doing works in various sections of human society to help the distressed and give them necessary relief at the time of need and also to create an atmosphere of moral and spritual regeneration of all people. Amongst all activities of social service, educational activities of Sangha have occupied an important position. The Sangha has been maintaining several educational institutions at different places all over the country and also abroad. The main function of the institution is to impart true education which makes ideal personages and helps to build a powerful nation.

ABOUT SCHOOL

Late Manik Bhattacharjee, a full time devoted social worker of this state and a true soldier of the Bharat Sevashram Sangha, was an Educationist who was closely associated with many institutions and feeling the necessities of the Dimapurians, he along with his close associates Late H.P.Sarkar, Late K.P. Nandy, Late Gobinda Chandra Paira particularly and others in general esablished The Pranab Vidyapith H.S.S(Sc. & Com.). Pranabananda Women's College, at Lhomithi Colony in Dimapur and a boarding School named Pranab Vidyapith at Bokajan. He, with his co-workers and well-wishers initiated the materilisation of the relief activities, medical services and other welfare activities of the Sangha. Upto 2000 all these welfare activities were carried out under the banner of Dimapur Hindu Milan Mandir. In the year 2000, the Dimapur Hindu Milan Mandir which was an affiliated branch of the Bharat Sevashram Sangha, was transited to Bharat Sevashrsm Sangha Dimapur Branch.

17th January, 1984 was a remarkable day in the history of Pranab Vidyapith. It was on that auspicious day of Pous Purnima in 1984, the Vidyapith came to its existence. The School starts its humble beginning under the holy banner of Hindu Milan Mandir with 145 students on roll and with 6 teachers in the present Mandir Premises, Sri L.C. Das as the Headmaster I/C. Later on, in 1985 it was shifted to the present site in a thatched house. The Vidyapith was recognised by Nagaland Board of School Education, Kohima in 1986 for its excellent results in its maiden appearance in H.S.L.C. Examination in 1985.

The school has been shaped into a multi-storey building where 2647 students are receiving education today. It is a co-education centre with classes Nursery to 12. In the year 2000, the Vidyapith was up graded to Higher Secondary (Science) stream. In 2005, the Management has added one more feather to its cap by introducing Commerce stream to meet the growing demands of the parents and guardians.

We have introduced coaching for JEET and NEET for Science students and Common Proficiency Test (CPT) for commerce students.

AIMS AND OBJECTIVES

The Holy Acharya Srimat Swami Pranabanandajee Maharaj emphasised upon practising religion in the truest form. He did not believe in dogma but wished that all must have the real education to follow the actual teaching of their religion whatever they might be. The Vidyapith intends to impart ideal education to the young students, keeping in view the object to ‘man-making and character-building’

The Vidyapith shall encourage the students to develop in all aspects of human life, physical, moral & intellectual. The Vidyapith has opened the Higher Secondary Science stream in year 2000 to make the students eligible to professional studies viz. Engineering, Medical and other higher technical studies. From the academic year i.e. 2005-2006, Pranab Vidyapith has introduced Commerce stream.

The Vidyapith gives importance in participation of the students in various activities of social and spiritual orientation viz. joining and arranging relief activities for people in distress, organising seminars on literacy, medical aid programme, cultural and religious issues etc.
